

*Thank you...*

**Dear Ben and Micha,**

**I cannot begin to tell you both how grateful I am to have chosen the Oasis for my mom's care. You and your dedicated staff not only took care of her, you took care of us as a family. I never once worried about the quality care she was receiving and was always kept up to date. The Oasis is a rare gem! May God continue to bless you both with success and good health and may your hearts remain open to kindness and compassion.**

**In gratitude,**

**Sherry (Bella's daughter)**
