

*Thank
you...*

Peter Pappas and
Connie Crowley for your
generous donation &
support of our employees!

Dear Ben & Micha,

Peter & I wanted to express our gratitude to you both for taking care of our mom so well. Her years at Oasis were full of love and energy, wonderful events and entertainment & fun. Her time at Dodge Park was of course dominated by Covid. It was so comforting for us to know she was being well taken care of even though we couldn't be with her at times. We can't imagine the challenges you both faced with the Covid pandemic. Thank you for doing such a great job.

We have enclosed a donation to be used for your staff who stuck by you and provided such loving care to Athena. Hopefully you can find some way to utilize the funds to show our gratitude for all they do.

Sincerely,

Connie Crowley & Peter Pappas
