## A Thank You from Sue. W.:

After a brief hospital stay, my dad, Bernie, was admitted to Oasis at Dodge Park in August, 2023, and my family and I will be forever grateful that he was able to reside there throughout the remaining months of his life. The owners of Oasis, Micha and Ben, and their entire staff, were especially kind and provided my dad with the kind of care and attention that he really needed due to his dementia. Everyone at Oasis consistently made him feel truly comfortable, emotionally and physically, and well loved. Whenever my mom visited my dad, or had reason to speak on the phone with any of the staff, she was reassured that he would receive whatever care he needed. This truly gave her peace of mind. They even demonstrated their love and concern for her as well. They always wanted to be sure that she got her rest and assured her that my dad was in good hands. In my own experience I was always greeted with a hug and a smile from the wonderful staff whenever I visited with my dad. In addition to the very friendly staff, there was entertainment every afternoon and all the residents were there each time to enjoy it. The happiness of the residents meant a lot to them and the staff even celebrated all the veterans on Veterans Day, and decorated beautifully for Hanukkah and Christmas, giving gifts to the residents as a way to bring them joy. On another note, we were extremely satisfied with the cleanliness of the entire facility. The dining and living area, his personal room, and the courtyard, restrooms, and parking lot were spotless. The bottom line is that we think it would be very difficult to find another long-term facility anywhere that has a staff as excellent as the one at Oasis at Dodge Park, a staff that treats the residents and their loved ones with such love, respect and devotion.
