

*thank you!*

Dear Micha -

I just wanted to let you know how wonderful your staff is. We gather once a month in the bird room with Ms. Sharon for birthdays or just a get together.

First, your care and concern for all of not only Sharon's needs, but the other residents is truly amazing. Your nurses, aides, kitchen helpers and maintenance are always pleasant and taking care of anything we might need.

While it isn't home, your staff manages to make residents and guests feel at "home" and comfortable.

So thank your staff for all they do!

- Sharon's friends;

Janet, Mary, Cathy and Theresa
